THE WISTERIA ON ERIDGE PARK HOUSE IN MAY

The perfect day out - a fabulous location, a café serving stylish food and refreshments throughout the day, beautiful gardens to explore and enjoy, weatherproof shopping and easy parking.

The Decorative Living Fair, held only once a year, is known for its inspiring displays by around seventy professional exhibitors selling beautiful English and continental decorative antiques, authentic brocante (from the markets of Belgium & France), vintage fashion, jewellery and plants.

Find key pieces of furniture or finishing touches for interiors and gardens. Discover artisans and designers whose hand made homewares and artistic creations will become the antiques of the future.

“It’s the fair I look forward to all year!”
